PREFACE

We believe it is God alone who calls, anoints and appoints an individual into ministry. As such, Provident Network is merely an earthly witness of a Divine work. We do not believe there is inherent value, status, worth, or importance in one type of credential over another. Each license or ordination is simply the recognition of God's calling and the degree of participation in that calling. An ordination does not imply greater authority, validity, or superiority. Conversely, a Christian Worker's Permit does not imply inferiority or lesser value. It is to be perfectly clear to the applicant that credentials received are an acknowledgement of divine calling, based upon the evidence of participation in that calling.

TENETS OF FAITH

1. We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
2. We believe that there is one God, eternally coexistent in three persons: Father, Son and Holy Ghost.
3. We believe in the deity of Jesus, His virgin birth, His sinless life, His miracles, His vicarious and atoning death through His shed blood, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory.
4. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.
5. We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life.
6. We believe in the resurrection to eternal life in heaven for believers and the resurrection to damnation for unbelievers.
7. We believe in the spiritual unity of believers in Jesus.
8. We believe in the baptism in the Holy Ghost with the evidence of speaking in other tongues.
9. We believe in healing as God's will for mankind.
10. We believe in the corporate worship of believers in a local church.
11. We believe in witnessing to our faith.
12. We believe in stewardship of all assets evidenced in tithing, offerings, etc.
13. We believe in the second coming of Jesus.

Further questions on these "Tenets of Faith" are answered by scriptural explanation in The Believer's Handbook by Dr. Lester Sumrall.

These might include mutually agreed upon programs, such as Provident Ministries Feeding the Nations and special projects, such as food drives.

SECTION VIII
TERMINATION OF CREDENTIALS

- A. Withdrawn: A minister who has elected to remove himself, and against whom there are no charges filed, shall be listed as having withdrawn.

SECTION IX
ADVISORY BOARD

The Provident Network operates under the authority of the Board of Directors of the Provident Ministries with advisors that are deemed necessary by said Board. The Provident Network Advisory Board:

A. Shall consist of the regional directors of Provident Network.

B. Duties:

- 1) Keeping an overview of the entire organization.
- 2) Providing spiritual leadership in executive decision making and problem solving.
- 3) Maintaining a standard of excellence in network direction, organization and finance.
- 4) Deliberating discipline. When deliberating, the representatives will be augmented by appointing four additional members. Rehabilitation, as appropriate, will be part of the board's recommendation. In deliberating discipline, the board is free to ask counsel and advice from affiliated members at large, but is not accountable thereto. The board reports to Provident Ministries, and holds all deliberation confidential.

LEGAL AND FINANCIAL COUNSEL

Provident Network is not responsible for the legal or financial operations of any organization affiliated with it. Competent legal/financial counsel is the responsibility of the individual organization.

DISCIPLINARY PROCEDURE FOR MORAL INDISCRETION

In the event that a Provident Network member falls into moral indiscretion, we request that the following be done in a timely and orderly manner:

As soon as the indiscretion is verified, Provident Network will send a ministry representative to pray and counsel with the member in question as well as to maintain the spiritual covering of the church or ministry. The ministry representative will also submit a report of his/her findings to the Provident Network office. Financial reimbursements for travel costs incurred by Provident Network or its representative will be the responsibility of the ministry in question. The member must submit a written account to the Provident Network office within one week. Provident Network expects full cooperation from the member with regards to counsel and discipline. The member will refrain from ministry both in and out of the pulpit until notified by Provident Network. It is our duty and desire to see godly restoration take place. In order for restoration to occur, we believe repentance, humility, and submission to counsel must first be evident. Ultimately, we believe that through proper covering and accountability, a fallen minister can return to a position of authority and continue to faithfully pursue the call of God. Our desire is to reflect Christ in matters of discipline, and to honor Him. "Brethren, if any person is overtaken in misconduct or sin of any sort, you who are spiritual- who are responsive to and controlled by the Spirit- should set him right and restore and reinstate him, without any sense of superiority and with all gentleness." (Galatians 6:1 Amplified)
